How many pots of gold?

How many leprechauns?

How many owls?

How horseshoes?

How green hats?

How fiddles?

How many rainbows?

How many shamrocks?

How gold coins?

How leprechauns?

How many owls?

How Irish flags?

## Directions:

### Option 1

- Laminate the first 2 counting pages. Place hard Velcro in each empty square. For a total of 12 empty boxes on each page.
- Laminate all the numbers.
- Put soft Velcro on the back of each number piece and cut them out.
- Store the numbers on the bottom of each counting page.

### Option 2

- Create a File Folder activity. Place one sheet on each side of the file folder.
- Laminate the file folder and place hard Velcro on all the empty squares on both pages
- Put soft Velcro on the back of each laminated number piece and cut them out.
- Store the numbers on the bottom of each counting page.
